Statesboro's 32nd tobacco market is standing by ready for July 23 opening

After thirty-one years the thirty-second opening of the Statesboro tobacco market on Thursday, July 23, will be a routine affair to the people of Statesboro and Bulloch County. Yet there is still a deep feeling of expectancy on the part of the tobacco growers, the bankers, the merchants, the warehousemen and all citizens of this community as the auctioneer, the tobacco buyers and warehousemen stand by waiting for the clock to mark the sale starting time here next Thursday.

Cobb & Foxhall Warehouse Keep same policy

W. E. (Bully) Cobb and Rastus Atkins of the Cobb and Foxhall tobacco warehouses here in Statesboro, announced today that their warehouses will continue operation under the same policies followed during the thirty-one years the late Willie E. Cobb operated on the Statesboro market.

The late Mr. Cobb came to Statesboro in 1928 as a warehouse operator and was active on the market here every year since. His son, Billy, has been associated with the warehouse for many years and in 1957 Rastus Atkins of Register acquired the interest in the warehouses of the late H. P. Foxhall who was associated with Mr. Cobb from 1931 until his death in December, 1956.

This will be the thirty-second season that the Cobb and Foxhall warehouses have been doing business. Mr. Cobb and Mr. Atkins announce that their auctioneer for the 1959 market will be H. E. Crawford. Their floormen are left Moore and Hilton Banks. Mr. R. A. Bynum is office manager.

They operate three warehouses on South College Street.

The new warehouse, to be known as Brannen's Warehouse Number 3, contains 65,000 sq. ft. of selling space. It is located on U. S. 301, north of Statesboro.

Brannen's Warehouse No. 1, also on U. S. 301, contains 63,000 square feet of floor space and is the sole owner and operator of the warehouse.

Sheppard's Warehouse was built by Mr. Sheppard's father, the late R. E. (Bob) Sheppard, who died in August, 1954. The warehouse contains 105,000 square feet of floor space.

Mr. Sheppard this week announced his warehouse staff as follows: W. E. Boswell, auctioneer; Otis Waters, day man; Rex Miller, night man; Johnny Parrish, scale man; and J. L. Rapier, office manager.

The Pittman Family Historical Society, organized in 1927, will hold its annual reunion at Gordon's Chapel Methodist Church in Madison County, Georgia on Sunday, July 19, 1959.

William Smith demonstrates use of fertilizer on cotton crops

In an effort to determine the most economical amounts of fertilizer to use on his cotton crop, Master Farmer William H. Smith of Bulloch County has divided a 30-acre field into three 10-acre tracts on which he is using varying amount of fertilizer and nitrogen.

D. L. Brannen, agronomist of the University of Georgia Agricultural Extension Service, who is working with Smith on the demonstration, said one field was fertilized with 800 pounds of 5-10-15 fertilizer and side dressed with 60 pounds of nitrogen per acre.

The second 10-acre field was fertilized with 1,000 pounds of 5-10-15 and side dressed with 100 pounds of nitrogen per acre while the third field received 1,200 pounds of 5-10-15 and 140 pounds of nitrogen per acre. Last year Smith averaged 793 pounds of lint cotton per acre on 35 acres. This year he hopes to increase his yield to at least 800 pounds of cotton per acre.

In addition to his cotton, corn, peanuts and tobacco, Smith grows 75 acres of oats and has 50 acres of pecans, 100 beef brood cows and 7,000 caged layers.

Rec Center plans big week for opening of tobacco market

The Statesboro Recreation Department today released special plans for a week-long celebration of the opening of Georgia's largest Tobacco Market. The calendar of events begins on Monday, July 20, with the market being scheduled to open on Thursday, July 23.

Producers Coop begins expansion on Walnut St.

Construction began this week on additional sales and office area at the Producers Coop Store on Walnut St. that will almost double the area now in use.

E. L. Anderson, Jr., manager of the Coop Store stated that upon completion of the addition the retail area of the store will almost be doubled. In addition to the retail area being added, new offices for management and bookkeeping personnel are being added, according to Mr. Anderson.

The construction, under the supervision of Ernest Cannon, local contractor will add approximately 2,200 square feet of floor space to the present building. New entrance doors will be located in the new addition with the present entrance doors remaining to serve as service and loading doors.

Bobby Newton rated high by U. S. Navy

Announcement was made recently by Captain A. C. Berg, commanding officer of the U. S. Naval CIG School, U. S. Naval Air Station, Glenboro, Brunswick County, that YN2 Bobby Newton, son of Mr. Minnie Lee Newton of Statesboro, has been named the "Man of the Month" for the CIG School.

Newton has been assigned to the administration department as office supervisor in the central office the past eleven months. In carrying out his duties, he has displayed a high sense of responsibility, and leadership within that expected for chief petty officer. Newton has been consulted on numerous occasions by personnel much senior for advice on administrative matters. His professional ability, tact, and military courtesy during these contacts has been commented on favorably many times.

During the recently held administrative inspection, Newton received a grade of "high excellent." He is married to the former Miss Kay Rackley of Portal. They have one son, Ronnie.

Bulloch County cotton growers make bale cotton to acre in '58

Some good cotton yields were obtained last year, but until the Georgia Crop Reporting Service made a recent report on these yields, few people realized that 20 Georgia counties averaged a bale or more per acre. Bulloch County farmers averaged almost 500 pounds of cotton per acre, with a gross weight of 1 bale per acre.

This year's cotton prospects aren't as good as last year's. In some areas stands have been spotted. Seeding diseases are a bigger problem than in most years. However, with favorable weather from here out and proper insect control, we can still make a good cotton crop. For an excellent cotton insect control program, inspect cotton at least once a week to determine if insects are present. If 10 percent of the squares have been punctured by weevils, or if bollworm eggs and four or more small bollworms per 100 terminals (top three of four inches of the plant) are found, being a poison program immediately. At least four applications of poison at four to five day intervals are necessary to control weevils. Additional applications may be necessary. Thorough coverage of plants with insecticide is needed for a bigger problem than in most years. Late season applications of insecticide for boll protection are often the most valuable of your poison program.

Legion Post 90 Junior Leaguers defeat Brooklet 8 to 4 for 6th win

Rites held for W. E. Cobb Sr. in Pinetops, N. C.

Statesboro's Junior American Legion team won another big game Thursday, July 9, as they defeated Brooklet 8 to 4. This was their sixth victory against two defeats. It took three Statesboro pitchers to control the determined Brooklet team. John Albert Williams started the game but was replaced by 14-year-old Jimmy Williamson in the top of the second inning after Brooklet had scored two runs and loaded the bases. Williams retired the next three batters in order and pitched hitless ball until the fifth inning when Lindsey Johnston was called in to take over the mound duties to give Williamson a rest. Johnston gave up three hits and two runs but showed possibilities of strengthening the pitching situation.

The hitting was dominated by Arnold Cleary and Junior Pye with four hits each. Cleary had three doubles and a single while Pye had two doubles and two singles. Lindsey Johnston and Michael Rogers had two hits each to round out the hitting end for Statesboro. Hoke Brannen was the losing pitcher for Brooklet and the losing hitter as he collected two hits in three times at bat.

Friday July 10, the Statesboro Little League Post 90 team defeated the Brooklet team 10 to 0. The game only went three innings as rain made it impossible to continue. Bob Lane was the winning pitcher while Gene Osborne, Jimmy White and Shufford Wall controlled the batting end.

Funeral services were held at the Pinetops Presbyterian Church on Saturday, July 11. Burial was in the Pinetops Cemetery.

Week's schedule for Bookmobile

The schedule for the Statesboro Regional Library Bookmobile for next week is as follows: Monday, July 20, Esia, Route 1. Brooklet at 3:30 in the afternoon. Tuesday, July 21, Esia, Route 2. Wednesday, July 22, Leefield community.

The thermometer readings for the week of Monday, July 12, were as follows:

	High	Low
Mon., July 6	90	67
Tues., July 7	95	70
Wed., July 8	90	70
Thurs., July 9	91	76
Fri., July 10	97	73
Sat., July 11	95	71
Sun., July 12	95	71

Rainfall for the week was 0.64 inches.

PRAYER MEETING DATE CHANGED AT PRIMITIVE BAPTIST CHURCH

Announcement is made today that prayer meeting usually held on Thursday night (tonight) will be held tomorrow night, Friday, at 8 o'clock at the Statesboro Primitive Baptist Church. The change is for this week only.

Attending Greenville Y camp at Cedar Mountain, N. C., for two weeks beginning Sunday, July 12, are Julian and Bill Lane, accompanied by Dr. and Mrs. J. Curtis Lane, Holmes Ramsey and Wayne Brannen, going up with Mr. and Mrs. W. W. Brannen; Jim Tillman and Bill Lovett with their parents, Mr. and Mrs. Joe R. Tillman and Mr. and Mrs. W. R. Lovett.

Mrs. E. C. Godfrey announces the opening of a play school at her home on Vista Circle for four and five-year-old children on September 1. School will be in session from 9 a.m. to 12 noon. Mail inquiries may be sent to Mrs. Godfrey at Box 262, Collegeboro, Ga. or phone 4-3602. Mrs. Godfrey is a registered nurse.

Edwin Eckles opens office in Statesboro

Announcement was made today that Edwin Clifford Eckles, A. I. A. of Savannah is moving to Statesboro to open an office for the practice of Architecture. Mr. Eckles attended Savannah Public Schools and graduated from Savannah High School. He later attended Hunter College in New York City and Army-Sterling College in Savannah. He received two degrees from Georgia Tech - B. S. in Architecture in 1951 and B. S. in Architecture in 1952.

At Tech he was a member of Alpha Tau Omega Fraternity and a finalist in the Paris Prize Competition in 1951. A World War II Navy veteran, he worked in Spartanburg, S. C., after completing his schooling and returned to Savannah in 1953 where he entered the offices of Levy and Kiley. He was made an associate in the firm in 1955. While with Levy and Kiley, he worked on such projects in the Statesboro area as the residence of Mr. and Mrs. A. B. McDougall, residence of Mr. and Mrs. Lehman Franklin, Statesboro Motor Lodge, Renovation of Minkovitz Dept. Store and the new plant for the Model Laundry.

Mr. Eckles is registered to practice architecture in Georgia under an exam sanctioned by the National Council of Architectural Registration Boards. He is now serving as president of the South Georgia Chapter of the American Institute of Architects, and was formerly a member of the Savannah Junior Chamber of Commerce, a Junior Deacon at the Bull Street Baptist Church, Vice Chairman of the Savannah Christmas Stocking and a member of the Board of Directors of the United Investors, Inc.

Revival now at Oak Grove

Revival services which began at the Oak Grove Baptist Church on Monday night of this week will continue through Friday night, July 24. The Rev. DeWayne Folber, pastor of the Northside Baptist Church of Columbus, Georgia, is the guest minister. Services are being held nightly at 8 o'clock. Music is in charge of the pastor, the Rev. Robert Besancon.

During the recently held administrative inspection, Newton received a grade of "high excellent." He is married to the former Miss Kay Rackley of Portal. They have one son, Ronnie.

Do it now!

Last week twenty-three cases of polio were reported in Georgia this year.

Twenty-three cases of polio in our state this year, in spite of an availability of the Salk vaccine and constant warnings of the crippling disease.

Twenty-three cases already reported and the "polio season is yet to come."

Immunization is the only protection against polio right now. And according to Dr. W. J. Murphy of the State Health Department most of these twenty-three polio victims had not received any preventive shots. A few had received one or two shots. Only one had received all three shots and they prevented that one from having a severe case of polio.

You owe it to your children to protect them against this dreadful disease. One never knows when or where it will strike. It can just as quickly strike your child as it struck the twenty-three persons in our state.

And you would never forgive yourself if it should strike before you have your child vaccinated with the Salk vaccine.

Make an appointment now to have this done. It may save your child from being a cripple the rest of his or her life.

He will be missed

Tobacco growers in Bulloch County and neighboring tobacco growing counties will miss W. E. Cobb with the opening of the 1959 tobacco selling season here next Thursday.

Mr. Cobb died on Thursday of last week at his home in Pinetops, North Carolina.

His straight figure was easily recognized by the white linen cap he wore, as he moved along behind the auctioneer, leading the buyers during the sale in one of his warehouses here.

And this year he'll not be here.

Mr. Cobb came to Statesboro in 1928 from Rocky Mount, North Carolina, where he had operated a tobacco warehouse since 1915.

During the thirty years Mr. Cobb operated on the Statesboro market he made friends all over this section of the bright leaf tobacco belt. He understood growers' problems and was their constant advisor and helper. All his energies were devoted to improving the Statesboro market for the benefit of the growers in this area.

He married the former Mrs. Willie Olliff Groover and Statesboro became his second home. He was as interested in the affairs of our community as those who were born and reared here.

Willis Cobb will be remembered and respected here for a long, long time.

STOPI LOOK! LIVE!

Some years ago, I crossed a street in the city of Orlando, Florida. Three words, written in bright yellow paint, fairly leaped at me from the edge of the sidewalk. "Stop! Look! Live!"

Their message was timely and important to my physical safety. There is always a pressing need for such words. They shake us out of our lethargy and indifference into a state of alertness and concern. Here is an amazing amount of truth packed into just three short words!

Such a motto, warning, or exhortation is needed in our spiritual quest. Consider the first: Stop! No one will question today that we live in a world where speed and motion are the key words. Yet, it is when one realizes that he is going somewhere, that he comes to grip with an important choice. Choose the proper direction for an action or an attitude is no small decision. In fact, part of the reason for busy living today is that some do not wish to be bothered with these important choices. However, these choices are ever before us, and it requires one to stop and decide in order to stop and choose the proper direction for life.

LIEKWISE, by stopping, one gains the opportunity to refresh himself at the spring of meditation. All through our church building program persons said to me: "Won't it be wonderful to have such a beautiful place to come, get quiet, and pray?" Again, look to a challenging word for our time. No finer beginning toward richer spiritual life can be made for one to begin to look inwardly. Sometimes say, "Know Thyself." One might say we live in an age of "escape philosophy."

Margaret Wildemere's "Hymn for Grief" expresses our sad

Because of complaints about the original date of July 16 set by the board of governors this year, Commissioner of Agriculture Phil Campbell changed the date to July 23.

This hassel turns up nearly every year. Some growers desire an early date. Other growers feel that a later date would be more desirable. To prevent this annual dissension some satisfactory method should be worked out. It would prevent hard feelings among growers and warehousemen and result in better relations all around.

Plan in advance

Are you about to take off for a vacation? Now, don't get in a dither, start making orderly plans in advance, so when the time comes to drive out of your driveway, you will have no worries—except that of driving. And that need not be a worry, if you will put into practice everything you have ever learned or read concerning safe driving. One thing sure, you will need to put them all into use on today's crowded highways, with so many careless inexperienced drivers!

HOW HAS this happened and what does it mean?

It has happened because the U. S. has spent some \$70 billion in foreign aid since the end of World War II building up the economies of other nations at the expense of its own. It has on the one hand subsidized the modernization and expansion of foreign industrial capacity while on the other hand its currency has been devaluated and its goods priced out of the world markets through the resulting deficit spending and inflationary wage-price spiral at home. Consequently, those countries we have helped are underdeveloping our prod-

ucts not only throughout the rest of the world but also right at home. Thus, more dollars are being channeled outside the United States each year than are coming into it.

This means that if all foreign holders of American dollars simultaneously demand the redemption of that outstanding currency in gold—which at least theoretically, they could do—the United States would find itself in the impossible position of having far less than the \$2 billion in gold required by law as a minimum reserve to back its domestic currency and bank deposits. Should such a "run" on American gold ever occur, it unquestionably would touch off a catastrophic financial panic.

FORTUNATELY, there is little likelihood of such an extreme eventuality under present circumstances, but the fact that even the possibility of it exists should serve as a warning signal for the United States to get busy setting its financial house in order.

It is essential to the future security and prosperity of the United States that the value of the dollar be bolstered and world faith restored in it as a sound and stable currency. Those ends can be accomplished only through firm and immediate steps to check inflation, to restore reason to federal taxing and spending policies, to regain a favorable balance of world trade, to cease foreign giveaways and to insist that the allies we have so generously assisted now assist us in sharing the cost of maintaining the defenses of the Free World.

The Editor's Uneasy Chair

Those cute little pony tail-hair-dos worn by small girls and teenagers may be on the way out—sort of like hula hoops and black cotton stockings.

Come words from a professor at the University of Illinois College of Medicine and a cosmetology instructor at Idaho State College that the pony tail hair style is causing the girls who wear them to go bald!

According to the experts it is the prolonged pulling of the hair backwards and upward into a smoothly compacted, corded hair bundle that has caused loss of hair in many persons.

Beauty experts say definitely that it is not good for the hair. Pony tail badness takes several months to appear. The first evidence of the damage comes in the form of mild inflammation and tiny blisters around the hair follicles. Sometimes there will be a little scaling which most people think is dandruff. And there is an itch. The doctor at the University of Illinois College of Medicine, says that it is

In the field of education, if the states lose absolute control, then eventually all control shall be lost. If our schools are to be integrated against our wishes then we shall see in our lifetimes the day when all education shall become the responsibility of the federal government.

ALMOST AS this column is being written Governor Ernest Vandiver and his legislative leaders are in a huddle in the Executive Mansion debating the administrative decision as to the next step in the segregation crisis.

The real problem as it presents itself actually is not a decision as to whether we shall or shall not integrate the races in the public schools of Georgia but rather if a sovereign state shall have the right of absolute control over its own systems of schools.

Shall a state have the right to decide which is the better program of education in a program which is for the benefit of the people who are to be educated? Does the United States Government have the right to decide just what system of education is to be taught in a state, who shall teach it, what students will be allowed to attend which school and eventually just what the curriculum of that school shall be?

Education is the final step. Once the states lose control of their educational programs then federal control over all of our institutions will follow in a manner in which one could easily predict in a step by step presentation.

ALREADY The Government has decided that the states cannot arrest, try and imprison many types of criminals even though they may in truth be subversive in character with the expressed aim in mind of the destruction of the government of the states in which they reside.

ALREADY The Government has decided that certain controls may be held over the citizens of the states over which many of them have no control and can without the approval of the states decide what crops, can be planted, how

Next week I shall give you my own views as to just what I feel the next step should be, asking you to keep in mind the main problem which is involved. Shall the Federal Government be given the control of the public school system in this state? Just how does the trend in government in the field of the states are being whittled away as surely as does the tide sweep away the sands from the shore of the sea.

THE public is being reminded more and more of the great need for mental health. Why? Because one out of every ten persons has some form of mental or emotional disorder requiring treatment.

Our nation started working on physical health many years ago. We have almost whipped small pox, diphtheria, typhoid fever, T. B., and most recently polio. NOW, our problem looms before us. To prevent mental illness we must work for mental health. It sounds so simple, doesn't it? Men have devoted their entire lives to the study of mental disorders and illnesses and still can not give us a recipe for mental health.

Over twenty years ago I remember working with a doctor on a terrible case of eczema. It was a long, drawn-out affair. I began to try to remember what food was eaten that had not

been eaten before. Then it came to me that we had gone to the Grandmother's where biscuits were plentiful and delicious. As ridiculous as it sounds we didn't eat biscuits (probably due to my inability to make edible ones) in our little home. Anyhow, to make a short story out of a long one, the eczema was withdrawn from the diet and the eczema was completely cured.

IT SEEMS, that mothers of children ought to be able to help in this mental health as much as doctors. What are the factors that contribute to our children's happiness? For, of course, happiness is another name for mental health.

Experience, love, clothes and gifts don't bring happiness. Oh, maybe a short-lived surge of joy may be felt but it lasts no longer than the day.

ALMOST every night one of my children used to say, "Oh, I feel so comfortable!" As I tucked him in bed. That tucking in bed involved more than pulling

Byrnes sets record straight on Supreme Court ruling

Continued from Last Week

Effective Threat
The Court's decision in the Watkins case (1957) restricting the power of Congress to investigate the power of Congress to investigate, resulted in the pending legislation to curb the Court. The three of Congressmen's action apparently was effective.

Last week in the Watkins case, the Court by an 8-1 decision held that the Judiciary lacks authority to intervene on the basis of motives which spurred the exercise of that power.

Justice Harlan, for the majority, sought to distinguish the facts from the Watkins case. A vigorous dissent by Justice Black was concurred in by his liberal associates, Justices Warren, Douglas and Brennan, charging that "exposure and punishment is the aim of the majority."

Jacob—Sara Frances Gunn Rucker Family holds reunion on July 5

The Annual Reunion of the Jacob and Sara Frances Gunn Rucker Family was held Sunday July 5th, at the Memorial Park Recreation Center in Statesboro.

The weather was perfect. Those who were not present were missed and hope they can be present next year at the same place on Sunday July 3rd, 1960.

Perhaps in years past, the number present has been greater but the fellowship this year was wonderful.

Election of officers was the highlight of the day's program. They are President, J. O. Rucker of Metter; vice president, Harold Rucker of Twin City; secretary and treasurer, Mrs. Geo. Lee of Metter and reporter, Mrs. Carl Rucker.

Mr. and Mrs. Jack Lewis of New Ellington, S. C., spent last week as guests of Mr. and Mrs. A. G. Rucker.

Mrs. I. O. Mallard and daughter Miss Phillis Miller visited relatives in Augusta last week. They also visited in Port Wentworth in Savannah.

Mr. and Mrs. Earl Ginn and family of Savannah spent Tuesday with Mrs. J. H. Ginn.

Mrs. Les Smith of Danville spent a few days last week with her mother, Mrs. D. W. Bragan. She was accompanied home by her sister, Mrs. Tom Mason, who visited friends in Atlanta on her return home.

Mr. and Mrs. Franklin Zetterow spent Sunday with Mr. and Mrs. Ernest Williams.

Linda Zetterow spent Sunday as guest of Linda Royal.

Mr. and Mrs. Wendell Oliver of Statesboro visited Mr. and Mrs. H. H. Zetterow during the week.

Mrs. Lillian Whitaker, Annette Rushing and Gilbert Rushing visited Mr. and Mrs. C. A. Zetterow during the week.

Carol Cromley spent Friday night with Linda Zetterow.

Mrs. H. O. French and children have returned to their home in Bloxie, Miss. after a visit with Mr. and Mrs. S. J. Foss and other relatives here. They were accompanied home by Mr. and Mrs. S. J. Foss.

Mr. and Mrs. Bill Zetterow and Linda were supper guests of Mr. and Mrs. Fred Bradford Thursday night at Brooklet.

GAY TWENTY CLUB MEETS
On Thursday afternoon at 3:30, Mrs. Irvin Anderson entertained at her home with a stork shower in honor of Mrs. Butler Lewis. The rooms in which the guests assembled were decorated with summer flowers. During the social hour, dainty refreshments were served. Many guests called during the afternoon.

Mr. and Mrs. W. W. Jones spent the week-end with relatives at a home in Statesboro. Mr. and Mrs. Jones family reunion at the home of Mr. and Mrs. Hinton Jones with all members of the family present.

Mrs. Irvin Shulman and sons of New York and Miss Mary Jones of California are guests of Mr. and W. W. Jones.

CONE FAMILY TO HOLD REUNION AT DASHES
ON SUNDAY, JULY 19
Members of the Cone family will gather at Dasher's on the Ogeechee River on Sunday, June 19 for a family reunion. Relatives from several states are expected to be present.

AP MUFFLERS ARE LONGER LASTING BECAUSE OF:
• "Dri-Flow" Design
• Patented Air-Liner shell
• 2/3 heavier shells
• 1/3 heavier shells
• Coated metal, asbestos liners where necessary

Mufflers don't blow out—they just rust! But AP's new "Dri-Flow" mufflers run drier, like the problem of corrosive moisture. And AP's heavier coated shells give added protection against rust and road hazards. Yet you pay no more for AP quality!

Swim program at Rec Center breaks records

The Statesboro Recreation Department announced today that registration and attendance in swimming classes at the Memorial Swim Center during the second week of instruction had

broken the four hundred mark. This breaks all previous records in the program which has steadily grown for the 10 years in which the system has been in operation.

Classes are taught by six water safety instructors who are full-time members of the recreation department staff. The program is jointly sponsored by the recreation department and the Bulloch County Chapter of the American Red Cross.

Mr. George Shearouse and Mrs. Purser's parents, Mr. and Mrs. Barney Wilson.

Mrs. Nan Russell of Lantana, Fla., arrived Tuesday to visit a few days with her sister, Mrs. Olin Smith, Mr. Smith and her brother, Bruce Olin and Mrs. Olin.

Mrs. Charles E. Cone received a message from her sister-in-law, Mrs. Lottie Cone Lydenburg of St. Petersburg, Fla., that her son, W. P. Landon, died suddenly with a heart attack and was buried July 3 at Bay Pines, St. Petersburg.

Mrs. Lydenburg, since Mr. Cone's death, is the oldest member of this branch of the Cone family.

Mrs. Diane Brannen spent the week of June 22 in Atlanta with her uncle, Jimmy Brannen, and her aunt, Daisy, who accompanied her home Saturday, where they will visit Mr. Brannen's parents, Mr. and Mrs. Ben Brannen, for several days before going on to Jacksonville Beach with Mrs. Olin's mother, Mrs. H. A. Prather.

On Monday, July 5, Miss Betty Smith and her mother, Mrs. Smith, were a morning coffee party for Miss Betty Smith.

Among the lovely penmanship parties honoring Miss Betty Smith was a morning coffee party, Tuesday, July 9, with Mrs. F. W. Hughes and her daughter, Mrs. B. H. Hughes, as hostesses at the home of Mrs. F. W. Hughes.

An aqua cloth on the table in the dining room, decorated with a centerpiece of white and pink flowers, and white chrysanthemums with decorative blue and white candles.

Other flowers, such as white and pink chrysanthemums, hydrangeas and carnations, were used.

The hostesses served coffee, punch, nuts and bonbons. The guests were served a delicious salad plate.

After the games, strawberry parfait pie was served.

Mrs. John Clark of Savannah served high and Miss Betty Smith low.

Shirley gave Betty an engraved sterling silver flask ring.

Luncheon guests were Mrs. Paul Atkins, (nee-Josephine Atkins) of Savannah, Mrs. John Clark of Savannah, Mrs. E. Munn of Statesboro, Mrs. D. D. Rhem of Melbourne, Fla., Mrs. Sam Tilton and Miss Patricia Lanier sister of the bride of Statesboro.

Miss Smith was charming in a white eyelet dress with white accessories.

MOTHER APPRECIATES these precious hours of leisure with the children. The turn of a dial sets her free, even on washday. Electricity washes and dries the clothes, automatically.

She appreciates a bargain, too. (She can wash three tubfuls of clothes for a penny!) And electricity is getting to be more of a bargain all the time. In fact, our average price per kilowatt-hour is only half what it was 25 years ago.

Your friends and neighbors in the Georgia Power Company are working constantly to keep your electric service low in cost and high in value—the biggest bargain in your family budget, by far!

REESE-ABERCROMBLE WEDDING

Miss Mary Edith Reese, daughter of Mr. and Mrs. Odum Reese of Warrenton, Ga., and Edward Andrew Abercromble, son of Mrs. William Andrew Abercromble of Forsyth, Ga., were married July 11 at 4:30 p.m. in the Johnson Methodist Church in Warrenton.

The Rev. Lawrence Houston Jr. of Statesboro performed the ceremony against a background of palms. Grecian urns held arrangements of white chrysanthemums and gladioli. Seven candelabra held lighted tapers.

Mrs. Doughty Ricketson, organist, and George Holliman, organist, pre-acted the wedding music. Selections used were "I Love Thee" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a dress designed of crystal silk tulle fastened on princess lines. The front bodice featured a deep scalloped yoke of Chantilly lace over tulle touched with pearls. A back waist line of Chantilly lace flared over the wide folds of the skirt into a chapel train.

Her three-tiered veil of bridal silk illusion, hand rolled, was caught to scalloped clip hvt of Chantilly lace with pearl embroidered redallions. She carried a white orchid and valley lilies on a white prayer book.

The matron of honor, Mrs. Edward S. Ray of Augusta, wore a camellia pink silk organza over net and tulle. Crushed horizontal folds defined the Sabrina neckline. Contour insets of silk and a flat front bow modeled the waistline. She wore an outline clip hat of tulle and pink flowers with small flowers and pearls across the back and a small circular veil. She carried a cascade bouquet of baby spray pink orchids.

Miss Marcia Ray of Augusta, was flower girl. She wore a room, wore a mauve pink embroidered lace gown fashioned with a cumberbund and side drapery of chiffon, her flowers were white orchids.

Immediately following the ceremony, Mr. and Mrs. Haun entertained with a reception at their home on Deer Park Drive. The bride's table in the dining room was veiled with a Venetian cloth and centered with a five-branched silver candelabrum bearing white tapers. The tiered wedding cake was at one end of the table and at the other end was a three-tiered epergne filled with white butterfly roses, sweet heart roses and lilies of the valley.

Those who came from Florida to attend the wedding were the groom's grandmother, Mrs. Frederick T. Saussy of St. Petersburg, and Mrs. William Sullivan Patrick of Tampa, aunt of the groom.

Mr. Saussy attended his son as best man and among the ushers was William Saussy of Tampa, brother of the groom. Serving as a junior groomsmen was Thomas Saussy of Tampa, another brother of the groom.

Mrs. Haun, wore for her daughter's wedding a superb original in aura blue hand run re-embroidered Alenaca lace. The sheath model featured a skirt arranged in tiers. Attached to her purse was a cluster of jacinthopsis orchids.

Mrs. Saussy, mother of the groom.

Up a steep mud-choked wash—Positraction pays off!

Through a mountain stream—deep in Avintaquin Canyon.

NO MOUNTAIN CAT, MISTER...

That's a Chevy with Positraction!

That 3134 Fleetside has the sure-footed ways badge the tie rods won't even need replacing! Out in that wild, climbing Utah country, Chevy's suspension and frame without hiccups. Its Positraction rear axle and Thriftmaster 4 power are proving themselves under rougher conditions than most test engineers could dream up. They're proving that Chevy's advanced engineering and design ideas pay off—in spades—when the going gets especially mean and dirty.

Positraction, of course, is a big plus on this job, providing the sure grip needed to dig through mud, snow, loose sand, whatever comes along. Could be that a Positraction-equipped 1/2-ton pickup is the answer for your area of operation. Or maybe a 4-wheel drive Chevy. We've got trucks that specialize in getting in and out of any kind of country. Talk to your dealer about your needs. He'll show you what tough trucks are made of.
